JUNIOR TENNIS

Starter

The Starter Program is designed for any age junior without much tennis experience to be able to join a class and feel comfortable. We welcome ages 5 to teens who want to learn the game of tennis.

If your child needs a tennis racquet, we will provide and size them to the proper racquet to borrow. We do have 21 and 23 inch racquets available for \$15, these are size appropriate for ages 4-7 year olds.

New! WAC Brookfield Starter Tennis Classes

Check schedule for days and times.

Intermediate

The Intermediate Program is for juniors with some tennis experience who want to continue to grow their skills. Key elements of our lessons include drills, stroke production, point play, game play, and fun.

Advanced

The Advanced Program is for those juniors who have chosen an aggressive pathway for tennis including multiple days of play, practice, and tournament involvement. Our juniors have a high level of commitment in these group lessons so they encourage each other to improve.

High Performance Team

The most aggressive developmental pathway to raise the level of tennis for the student. Class placement based on Universal Tennis Rating (UTR) guarantees high level hitting and competition suitable to the student. To ensure quality instruction, tennis pros will be team teaching these groups so students can get a variety of input from multiple professionals. We encourage the student to participate in multiple days of practice, lessons, and tournament play. Student must have a USTA State Ranking. Class placement based upon UTR.

EARLY REGISTRATION DISCOUNT

Receive a \$2.50 per class discount if you register before the early registration deadline.

Tennis Viewing Gallery at Lake Country

Parents, guests, friends and family are welcome to watch your child's tennis lessons in our wonderful Tennis Viewing Gallery. If you are dropping off your child, they can wait at the high tables overlooking the frontside tennis courts and the Certified Professional Tennis Staff will bring your child down to the courts and bring them up when the class is done. As your child becomes comfortable with their surroundings, they may go down to their court at the designated time of the class. We also ask that your child sits at the high tables when class is over while waiting to be picked up. This is to ensure your child's safety, provide consistency for both parents and children, and create a positive experience for everyone.

The Wisconsin Athletic Club designs its classes as a natural progression based on age and ability level. By structuring classes in this way, parents (with the help of instructors) can easily see not only the class their child currently belongs in, but also the class they will most likely be moving to in the future. **Note: This track is a general guideline, not an absolute pathway. Each student's development will be different.**

A close-up, low-angle shot of a tennis racket head. The strings are white and form a grid pattern against a vibrant blue background. The racket's frame is black and visible at the top and right edges. The lighting creates a slight shadow on the strings, giving them a three-dimensional appearance.
