## Tennis Viewing Gallery at Lake Country

Parents, guests, friends and family are welcome to watch your child's tennis lessons in our wonderful Tennis Viewing Gallery. If you are dropping off your child, they can wait at the high tables overlooking the frontside tennis courts and the Certified Professional Tennis Staff will bring your child down to the courts and bring them up when the class is done. As your child becomes comfortable with their surroundings, they may go down to their court at the designated time of the class. We also ask that your child sits at the high tables when class is over while waiting to be picked up. This is to ensure your child's safety, provide consistency for both parents and children, and create a positive experience for everyone.

## Check email for class recommendations

Before registration for the next session opens, our certified professionals send out class recommendations to the email linked to your child's account for the following session. If you're not sure what email is linked to your child's account, the front desk will know!

***Next recommendations set to go out on August 3.***

## Students might be in a class for more than one session

Tennis progression is unique for each player. For most players, it is beneficial to stay in the same class for multiple sessions. If you're ever curious about what your player needs to develop in order to reach the next level, their coach can help clarify that.

## USTA Tournaments

Introduction tournaments, level 7 tournaments, and 10U Green Ball tournaments, are a great way for your player to start competing in real matches. **Please note your player should have the ability to hit serves, returns, and be able to keep a rally going prior to registering for their first tournament.**

## September 12 | Green Ball: Labor Day Open 10U Coed Singles

If you haven't used USTA before, go to [usta.com](http://usta.com) and click the "join" button to get started! From there the USTA will direct you on making a parent account. If you have any questions related to how to register for our USTA tournaments or navigating the USTA website to find our tournaments contact Conner at [cannis@thewac.com](mailto:cannis@thewac.com) and he'll be happy to assist you and your player.

# JUNIOR TENNIS PROGRESSION

The Wisconsin Athletic Club designs its classes as a natural progression based on age and ability level. By structuring classes in this way, parents (with the help of instructors) can easily see not only the class their child currently belongs in, but also the class they will most likely be moving to in the future.

***Note: This track is a general guideline, not an absolute pathway. Each student's development will be different.***

# JUNIOR TENNIS LEVELS

*All Classes Require Coach Recommendation to Advance*

## **Red Ball Intro | Ages 5-6**

## **Orange Ball Intro | Ages 7-8**

## **Green Ball Intro | Ages 9-10**

## **Yellow Ball Intro | Ages 11-12**

## **High School Intro | Ages 13-18**

These classes are for students with little to no experience. They will start to learn forehand and backhand groundstrokes, volleys, and serves in these classes. Fun and active games will be used to promote the skills practiced.

## **Red Ball 1 | Ages 5-7**

At this point players should be able to hit groundstrokes, volleys, and know ready position. In this class serves are being introduced.

## **Red Ball 2 | Ages 5-7**

This group is for players who have demonstrated that they can start to rally together and begin to perform an overhead serve. By the end of a player's time in Red Ball 2, they should be able to hit topspin groundstrokes in the short court.

## **Orange Ball 1 | Ages 7-9**

This class uses the blue 60ft USTA recommended lines. While in this class, players are learning stroke production and starting to receive balls from other players to improve their ability to rally.

## **Orange Ball 2 | Ages 7-9**

This class can consistently hit groundstrokes on the move. They can rally and are working on playing out full points with self feeds and by serving. Serving may not be consistent yet.

## **Green Ball | Ages 9-11**

This class uses the full court and Green Dot balls that have a 25% reduced bounce. Players have experience and are building consistency in fundamentals, including topspin groundstrokes, continental grip for serves, and volleys as doubles play becomes more prominent

## **Yellow Ball 1 | Ages 11-13**

This class should have experience and is hitting topspin consistently while being fed balls. During rallies, the topspin becomes a little less consistent. Proper grips should be used on all shots.

## **Yellow Ball 2 | Ages 11-13**

This class should be able to play with topspin and is working towards having a consistent flat and spin serve. This player should have the ability to play a match but may not have the experience of doing so.

## **High School Girls, Boys, and Coed 1 | Ages 13-18**

This class reinforces the fundamentals of groundstrokes, volleys, and serves through live rallies to build consistency for matches. Players can use topspin and are developing backspin during point play. Flat and spin serves with proper grips are becoming more consistent, and players should have some match play experience.

## **High School Girls, Boys, and Coed 2 | Ages 13-18**

Players in this group demonstrate consistent fundamentals in groundstrokes, volleys, and serves. Training focuses on increasing power, improving strategy and placement, and developing specialty shots. Players can apply topspin and backspin in point play and maintain consistent flat and spin serves. Greater emphasis is placed on match strategy and shot selection. Players at this level more regularly participate in matches.

## **High Performance Orange and Green Ball**

The High Performance Progression program is designed specifically for junior tennis players in the Youth Progression pathway (Orange, Green, and Yellow Ball) who have the skills necessary to begin training for competitive play.
